SYNC[3D] è un'innovativa tecnologia digitale che crea rilievi estremamente precisi, perfettamente sincronizzati con il disegno di ogni singola piastrella. Venature, sfumature e dettagli acquistano profondità, dando vita a una superficie tridimensionale, realistica e ricca al tatto, valorizzata da un raffinato gioco di luci e ombre.

SYNC[3D] is an innovative digital technology that creates extremely precise reliefs, perfectly synchronized with the design of each individual tile. Veins, nuances and details gain depth, bringing a three-dimensional surface to life—realistic and rich to the touch, enhanced by a refined interplay of light and shadow.

SYNC[3D] est une technologie numérique innovante qui crée des reliefs d'une extrême précision, parfaitement synchronisés avec le motif de chaque carreau. Les veines, les nuances et les détails gagnent en profondeur, donnant vie à une surface tridimensionnelle, réaliste et riche au toucher, sublimée par un jeu raffiné de lumières et d'ombres.

SYNC[3D] ist eine innovative digitale Technologie, die äußerst präzise Reliefstrukturen erzeugt, perfekt synchronisiert mit dem Design jeder einzelnen Fliese. Maserungen, Farbnuancen und Details gewinnen an Tiefe und erwecken eine dreidimensionale Oberfläche zum Leben – realistisch und haptisch intensiv, veredelt durch ein raffiniertes Spiel aus Licht und Schatten.
