GIGA DUSK

GIGALAND

Il design minimalistico e l'uniformità cromatica fanno della collezione Giga la perfetta replica di un agglomerato cementizio. Capace di rappresentare con eccelsa naturalezza pavimenti e rivestimenti urbani, è disponibile in 4 colori e permette di ricreare ambienti moderni ed eleganti. Ottima soluzione sia per ambienti residenziali che commerciali!

The minimalist design and the chromatic uniformity make the Giga collection the perfect replica of a concrete agglomerate. Able to represent with exquisite naturalness floors and walls, is available in 4 colors and allows you to recreate modern and elegant spaces. Great solution for both residential and commercial areas!
